

Market Insights

Market Insights is a series of reports providing a comprehensive review of global industries focused by product and include:

- Discussion regarding key market drivers and constraints including regulatory, environmental, consumer and technology trends
- Supply, demand trade for nine regions: North America, South America, Western Europe, Central Europe, Eastern Europe, Middle East, Africa, Asia Pacific, and China
- Forecast period: 5 years history and 15 years forecast to 2035
- Competitiveness analysis, including competitive landscape, who's who of suppliers and cost competitiveness
- Pricing analysis with commentary regarding latest trends

Along with the written report, data is provided in Excel including global capacity listings.

2019 Reports	2020 Reports	2021 Reports
